**Change Transmittal:** CON-358

**Date:** February 23, 2011

---

### 7 FAM 950 SERVICE OF PROCESS

1. **Changes:** This CT updates 7 FAM 950. Three new countries were added to the table in 7 FAM 953.5: Iceland, Macedonia, and Serbia

Corrected references, hyperlinks, and other administrative changes were made throughout.

2. **Change Transmittal** has replaced the term, **Transmittal Letter**. Change transmittal was selected as being more appropriate in this age of electronic information transmission. The FAM volume's transmittal acronym and numerical series remains in place.
3. Later revisions will appear in *italic* and *dark magenta*. Italic and *dark magenta* provide a historical record of changes. New or substantially revised subchapters will not appear in italic and *dark magenta*.
4. Officers are reminded that Department-issued materials not codified in the Foreign Affairs Manual or its supplemental Foreign Affairs Handbook series generally have no regulatory validity (see 2 FAM 1115.2).
